Education

12. List educational institutions attended in reverse chronological order, including any in which you may be presently enrolled:

Institution and location (list in reverse order)	Major field of study	Dates (month and year)		Actual name of degree or diploma (do not translate)	Date received or expected
		from	to		

13. List scholarships or fellowships held at present or in the past: (Give source or sponsor, amount, where held, and duration.)

14. Indicate any academic honors or prizes, which you have received, with titles and dates.

15. List any books, articles or theses published by you, and especially in your proposed field of study: (Give title, place and date of publication)

16. List professional societies, fraternities or other organizations in which you now hold membership or in which you have been active in the past: (Indicate if you have held an elective office.)

17. Professional experience including teaching:

18. Research: (Including any research you have completed or in which you are currently involved.)

19.

Study Objectives

Write a clear and detailed description of your study objectives. Be specific about your major field and your specialized interests within this field. Describe the kind of program you expect to undertake, and explain how your study plan fits in with your previous training and your future objectives. Your statement is an essential part of your application. Unclear, incomplete or impractical proposals can result in your being referred to a university not suited to your scholastic needs, or your not being accepted by any university. Do not mention specific U.S. universities at which you would like to study. Do not exceed the space available. If you need additional space, please prepare a separate sheet and insert it after printing the application.

20.

Personal Statement

Please provide a narrative statement discussing your professional, academic and future plans. It should not be a mere listing of facts. It should include information about your education, practical experience, special interests, career plans, and your purpose in applying for study in the U.S. Describe any significant factors that have influenced your educational or professional development. Comment on the number of years of practical experience already completed in the field in which academic work will be done in the U.S. and describe briefly the most advanced courses already pursued in their field of study. Do not mention specific U.S. universities at which you would like to study in your Personal Statement. Do not exceed the space available. If you need additional space, please prepare a separate sheet and insert it after printing the application.

21. Knowledge of languages: (Rate yourself Excellent, Good or Fair. Include all languages in which you have some competence.)

Mother _____

Language	Reading	Writing	Speaking
English			

21.a How many years have you _____ studied English?

22. Occupational experience: (List positions held, beginning with the most recent employment, if any.)

name and address of employer	title/type of work	dates (month and year)	
		from	to

23. If you have travelled, lived, or studied in any country other than your own for more than a month, indicate places, dates and reasons:

24. Future Plans: (Describe the career you plan to pursue after completion of study or research in the U.S. (e.g., teaching, government, business, industry or any plans you might have for continued study or research in your home country). Also indicate if you will be returning to former employment or if you have been promised a position in your home country after completing your U.S. training).

By my signature, I certify that, to the best of my knowledge, the information provided in my application is accurate and complete.
